KONKOW HOUSE 2 OPENS THEIR DOORS TO GREEN CAMPUS

The Alliance to Save Energy's "Green Campus Program" is funded by the California rate payers auspices of the California Public Utilities Commission. Strategic Energy Innovations is a sub-contractor of the Green Campus Program

On Sunday, February 19th Green Campus Program members and honors residents of **Konkow House 2** met to exchange thoughts and ideas concerning the Sustainability House Project. Green Campus students and residents along with University Housing, FMS, The Alliance to Save Energy and Strategic Energy Innovations have begun the process of retrofitting Konkow Honors House into the CSU Chico Sustainability House. Initially the project will be the retrofit of a student bedroom, living area and kitchen. Retrofit will include **ENERGY STAR** appliances replacing existing appliances, electronics, and lighting, which are not as energy efficient. We hope that the product swap will demonstrate the benefits of energy efficient products to administration, staff, faculty, students and the news media. However this is going to be a Sustainability House so we don't want to see it end with just energy related retrofitting. We envision this as an on going project where we also are able to fill the house with sustainable living products such as body care, office supplies, cleaners, and other materials you would find in a typical college campus resident hall bedroom, living area and kitchen.

For more information about this project please contact Green Campus or come to our preliminary tour on March 8th during the Campus Sustainability Conference

Money Isn't All You're Saving

SAVE A CUP, WIN THIS BIKE!

So, you have been collecting stamps and doing your part to help reduce your personal waste by using a re-usable cup or mug. We at Green Campus thank everyone of you who have participated in the Green Cup Card project. And we would like to thank you for doing your part by raffling of this Madwagon Hermosa bike along with many other fun prizes each month! It is our way of saying thank you.

GREEN CUP CARDS CAN BE FOUND AT ALL A.S. FOOD SERVICE LOCATIONS

RAFFLE DATES

February 24th, March 31st, April, April 28th and May 12th

How To Play:

Step one: Pick up a **Green Cup Card** found at any A.S. Food Service locations or EARC (Butte 518)

Step two: Bring your re-usable cup, canteen, nalgene, mug, etc. and use it on campus whenever you purchase a drink or soup. Receive a stamp every time you use your re-usable cup.

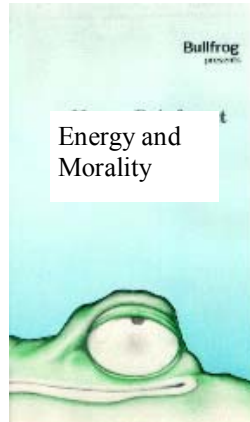

Step three: Once your cup card is filled with stamps receive a free refill* and an entrance into our monthly raffle. Don't forget to fill out your name and phone number on the back of the card before turning it in at you're A.S. food service location.

* coffee or soda only

WATCH FOR OUR VIDEOS

We will be showing a number of energy videos again this semester. Be on the look out for our up and coming movie schedule. As always we will have free popcorn and soda for all our viewers!

Ask your professors about receiving extra credit for attending our video showing. Study questions can be provided!

Chico Sustainability Conference

California State University, Chico: March 7-9, 2006

Western Regional Conference and Expo is a collaborative effort between academic, community, government and industry leaders to provide a forum for information sharing, thoughtful inquiry, and enhanced commitment to the benefits of sustainability.

Green Campus will be hosting 2 panels. One of which will be a tour of the Konkow House 2 Sustainability house! Be sure to check out the website and register early.
